Letter of Appreciation

Northern Finland Cricket Tournament 2026 · Champions

Dear Mohsin Riaz,

On behalf of the JCC Executive Committee, thank you, and congratulations on winning the **Northern Finland Cricket Tournament 2026**.

This title belongs to everyone in the squad. Whether you opened the batting, bowled the hard overs, saved runs in the field or stepped in when the team needed you, every contribution mattered. Just as important was what happened away from the scoreboard: confirming availability early, sharing cars for the long trips to tournament venues, turning up to practise and looking after one another on and off the field.

It is a proud moment for the club, and it reflects how much JCC has grown as a community. We also thank the families, volunteers, umpires and supporters who made this season possible.

The Executive Committee is grateful for your commitment and the spirit in which you represented Jyväskylä. We look forward to building on this success together.

With sincere thanks and best wishes,

The JCC Executive Committee
